

EWERBY & EVEDON PARISH COUNCIL

Cemetery Rules and Regulations

(approved by Council 28 July 2026)

- Planting of shrubs and trees is not allowed on the plots/grave spaces
- Curbing stones around the plots/grave spaces are not allowed
- All memorials are to be kept in line with the existing headstones
- All interments are to be kept central to the plot/grave space
- The levelling of plots/graves is the responsibility of the family
- The process of consecrating plots/grave spaces is the responsibility of the family
- All plots/grave spaces measure 6' x 4' unless special requirements are needed
- The headstones should not be any larger than the following statement:
- The total area taken by single headstones should be a maximum height of
- 2' 6'' above ground level.
- Flatstones should not be larger than the sizes specified (2' x 1'6'' and 4' x 3')
- The maximum size of a vase, only as an alternative to a headstone should be no more
- than 12'' tall.
- Cremated remains must be interred and not scattered on the grave
- Dogs must be kept on leads when in the cemetery
